WIN THIRTEEN INNING FIGHT

FINISH IN WASHINGTON. Clevelands Still Grabbing Games, and Vic-tory Over Browns Gives Them Third Place-Detroits Blank Sox and Bos-

That gives them the season's series, twelve games to ten. They beat the Washingtons three straight on the latter's own stronghold. The Clevelands beat the Browns and are one point ahead of the New Yorks. The Detroits shut ou Chicago and the Bostons shut out the cham

NEW YORK (A. L.), 5: WASHINGTON, 1. WASHINGTON, Sept. 9.-Hal Chase sent Russell Ford into pitch the final game of the series here in hope of landing a clean sweep. Ford turned the trick, but it took him thirteen innings. Ford ascended the mound for his first

start in the capital city, and well did he uphold the reputation which had preceded him. Six scattered hits were all the local swatsmen could gather, three being credited to Street. Geasler and Conroy were the other McAleerites who were able to solve

The game sparkled with brilliant fielding.

Jack Knight at short being the bright particular star. His one hand pickup of Conroy's hard hit grounder was a beauty. Knight handled twelve chances and slipped up on one, a hard hit grounder by Milan. Bert Daniels dad some good work, knocking home the first run with a well placed single and starting the final inning by being hit

The Highlanders had a chance to win out in the eleventh, but fine work of McBride turned the tide and caused the affray to

be continued.
With one out Daniels and Hemphill singled in succession, Hemphill's bingle going to right. It was a long hit and Daniels made third by virtue of a pretty slide. Chase swung at the first and missed, but on the next pitch he hit a wicked grounder at McBride which took a nasty hop just as it reached him. Mac played the ball well and nipped Daniels at the plate by inches. Hartzell ended the inning with a fly to Milan.

Milan.

The Nationals had only two chances to score in the extra innings. In the twelfth Gessler poled one to centre, but got no further, Blair's peg heading him off in an attempt to steal. In the closing round Mc-Bride received the second pass dished out by Ford and Conroy followed with a single. Street lifted a foul to Hartzell, and Cashion, batting for Walker, fanned Milan ended the game with a tap to Ford which the latter threw to Hartzell, forcing McBride.

In the thirteenth Blair flew to Milan and Ford did the striker out stunt. Danjels was hit in the ribs with one of Walker's fast ones. It did not seem to affect his speed, however, as he immediately proceeded to steal the middle cushion. Hemphill poked a leaguer into centre which Milan tried to reach on the bound with one hand, but the ball caromed off his fingers and the speedy Danjels crossed the home station. Hemphill took second while the ball was being recovered and scored when Chase pushed one to left, upon which he took second when the sphere was thrown to the plate in an attempt to head off the run. Hartzell followed with a triple to the same pasture and scored when Street attempted to run him down between third and home, the receiver making a poor heave to Conroy in an effort to retire him. Knight ended the round by fanning.

DETROIT, 1; CHICAGO (A. L.), 0.

DETROIT, Sept. 9.—To-day's game went to
the Tigers by a 1 to 0 score. Both Mullin and Scott
were in fine form, allowing but four hits each.
A triple play made by the Tigers featured. With
men on first and second Tannehlii lifted a short
fly into left which looked good for a hit. Hrake,
however, grabbed it, Brodle and Berghamer being
unable to get back to their stations before being
killed off. The score: HONORS FOR IRISH ATHLETES AT 13TH REGIMENT GAMES.

E. A. Hunger was surprised in the two mile run in the same way that Riley was in the shorter event, inasmuch as the handicap men showed a better finish. William Powers, also of the I. A. A. C., kept going at a steady pace from the start and hit it up sufficiently on the last lap to give him the victory by thirty yards. Hunger started his sprint too early and died before he reached the tape. This gave Mead of the Glenmore A. C. and J. C. on the other hand, was not tested so severely, as the scoring was too enesided. W. Phillips was the first to score for the internationals and with a penaity cleverly converted by F. Porter a lead of 2 to 6 was established. At this stage the single tally of the losers was placed to their credit by R. O'Halloran, one of the reserves for the big match, who played a brilliant game. Phillips and Porter each shot another goal and W. Heath added two more before the close of the first half. The internationals therefore started the second period with the commanding lead of 6 goals to 1. The summaries:

Three more goals were added in the second half, tallied by Heath, Porter and Christie in the order named. The internationals eased up considerably in this half, but were always dangerous. T. Ellis and D. Christie Maskell, another reserve, also played fast football for the losing team. The lineup:

Centipede Crew Captures Banner From Brooklyn Rowing Club.

In the annual regatta of the Clifton Boat Club at Rosebank, Staten Island, the home club quartet defeated the crew of the Brook lyn Rowing Club in the four oared centi pede race and thereby won the silk banner T. Meyer Takes Century Sprint in which was offered to the club winning two Even Time J. Tallent First in 1.000 out of three contests. The Clifton crew won the first hold by defeating the Brook lyns in their own regatta two weeks ago. The half mile course over which the race was rowed yesterday extended from oppo-

by winning the pentathlon competition at the outdoor games of the Thirteenth Regiment, which were held yesterday at Bath Beach. This event of five contests was the feature of a programme which the Brooklyn artillerymen arranged at their athletic field and summer camp at Cropsey and Fifteenth avenues. An excellent outdoor track of six laps to the mile has been built within a stone's throw of the bay. In spite of the threatening weather more than a thousand soldiers and their friends turned out to watch the sport.

The half mile handicap run, closed to members of the Military Athletic League, was the first final on the card, and a representative field took their places before Starter Johnny McHugh. Abel Kivist, who carries the colors of the Thirteenth Regiment while competing in military circles, was on the scratch mark. He timed his race very nicely and waited until the last turn for his final sprint. He won easily by five yards from E. W. Hills of the Twenty-second Regiment, who had an allowance of forty-two yards.

A. T. Meyer of the Irish club was forced to his best by McDonald of the Nationals in the century sprint, and he had to travel the distance in ten seconds in order to win. A performance of even time from the two yard mark is very creditable, especially to the line. Hountree won in a most speectacular sprint by half a length. The men in the club championship.
